

53. LARA MESSINA is an Italian abstract painter. Her journal-like approach carefully breaks down her experiences to rebuild them with new, colour-bursting shapes. Lara's works convey her perception of life and events to the observers, turning introspection into reflection. To find out more, visit laramessina.com and follow @laramessart on Instagram.

54. KELLI WASSOM is an American artist, known for her unique vibrant colour palettes and storytelling. She uses colour and a variety of subjects to highlight the emotion and story expressed through each art piece. For more information, visit www.kelliwassom.com or follow @kelliwassomart on Instagram.

55. TIFFANY ALEXANDRIA is a contemporary American artist, based in San Antonio, Texas. Alexandria's bold use of colour and unconventional drawing techniques, with conceptual rigor, underpin the basis of her artwork. She experiments with a range of expressive modalities, exploring contemporary culture from the female viewpoint. Visit tiffanyalexandriaart.com or email tiffanyalexandria@gmail.com to find out more.

56. CHAN SUK ON was born and lives in Hong Kong. She gained her Masters of Arts in Fine Arts at the Chinese University of Hong Kong and is an editor, photographer and artist. Her journey is going from documentary photography to conceptual art. "Art Manual" arouses "Does art need to be explained?" She picked up the sundries in the room. Time passed, the thick camera manual was outdated, and the camera model was constantly updated. She tried to fold different sculptural forms. The texts were about photography randomly distributed. Visit httpschansukon.com to find out more.

57. FEDERICO PINTO SCHMID is a self-taught painter whose artwork can be found in private collections all over the world. Influenced by abstract expressionism and Italian Informalism, DiPinto paints instinctively, starting from chaotic scenarios, then working on the composition to obtain harmony and balance between shapes and colours. Explore his energetic compositions via www.dipinto.website and follow @dipinto_art on Instagram.

58. Hailing from Australia, Claire Devine is an emerging artist and authority in contemporary art. Under the title of her celebrated brand, **THE NEW DEVINE**, she creates luxury original artworks and prints that feel recklessly wild and yet somehow, like the home you were always meant to find. Visit www.thenewdevine.com or email salut@thenewdevine.com to find out more.

59. HISAE SASAKI is a Japanese artist based in Tokyo. Her artwork is a unique combination of sumi ink and fresh flowers, representing her philosophy in life. She depicts flowers as being born from sumi ink that is drawn vibrantly, bringing a burst of life's energy to the viewer. To view her artwork, further information, visit achochoachocho.com or search @hisaesasaki_artwork on Instagram.

60. KATHY LEE is a self-taught visual and abstract expressionist artist in the Chicagoland area. She loves using colour to represent energy and emotions. Kathy believes that surrounding herself with love, positivity, music and passion will help convey that into her art. Visit www.kathyleeabstract.com and follow [kathy_lee_abstract](https://www.instagram.com/kathy_lee_abstract) on Instagram.

61. LIA BURKE LIBAIRE is an artist based in Charleston, South Carolina, who has worked on a broad range of commissions, large-scale public installations and bespoke stationery designs. Botanicals, astrological constellations and her signature 'evil eye' are common themes in her vibrant and often irreverent work. Visit www.liaburkelibaire.com for more information and follow @liaburkelibaire on Instagram.

62. JAI0 DOS ANJOS is a self-taught Portuguese artist based in Germany. Her unique artworks invite the viewer on a journey into their own imagination. Jai0 recently exhibited at the private foundation "Rohnerhaus" in Lauterach, Austria. Visit www.jaiodesign.com contact jai0@jaiodesign.com and follow @jaiodesign.abstractart on Instagram.
